## AMSOIL Synthetic Motor Oils

### For Heavy-Duty Diesel Applications

**Synthetic 5W-40 Premium Diesel Oil • Series 3000 Synthetic 5W-30 Heavy Duty Diesel Oil • Synthetic SAE 10W-30/SAE 30 Heavy Duty Diesel Oil • Synthetic 15W-40 Heavy Duty Diesel and Marine Oil • Synthetic Blend 15W-40 Diesel Oil**

AMSOIL diesel oils are specifically formulated for hard-working, hot-running diesel engines. AMSOIL diesel oils significantly reduce operating temperatures, inhibit the formation of engine deposits and provide unmatched wear protection.

For superior performance, better fuel economy and reduced oil consumption, treat your diesel to the best – AMSOIL diesel oils.

### For Gasoline and Light-Duty Diesel Applications

**Signature Series Synthetic 0W-30 Motor Oil • Series 2000 Synthetic 20W-50 Racing Oil • Synthetic 5W-30, 10W-30 and 10W-40 Motor Oils • XL Synthetic 5W-20, 5W-30, 10W-30 and 10W-40 Motor Oils**

AMSOIL motor oils are ideal for gasoline and light-duty diesel motor homes. These superior all-season lubricants minimize wear, increase fuel economy and improve performance through outstanding cooling, film strength and degradation resistance. And the synthetic formulation means you don't have to change oil as often, further increasing your savings.

### AMSOIL Formula 4-Stroke Small Engine Oil

ASE

AMSOIL Formula 4-Stroke Small Engine Oil (ASE) is a robust formulation designed for high-temperature, severe-service operation of small engines where routine maintenance is often difficult or infrequent. It is formulated with premium synthetic base oils that exceed both 10W-30 multi-grade and SAE straight-grade viscosity requirements. AMSOIL ASE has a naturally high viscosity index and does not contain paraffin (wax). Its -38°F pour point and superior high-temperature performance makes AMSOIL Formula 4-Stroke Small Engine Oil a premium all-season lubricant, perfect for the small generators found on most RVs.

## AMSOIL Synthetic Gear Lubes

**Severe Gear® 75W-90, 75W-110 and 75W-140 Gear Lubes • Synthetic 75W-90 and 80W-90 Gear Lube**

Motor home drivetrains are often subjected to severe-duty service such as heavy loads, towing and extreme wind resistance. These severe-duty extremes can generate high temperatures and pressures, which can cause significant gear wear. AMSOIL Synthetic Gear Lubes (FGO, FGR, AGL) afford outstanding wear protection and extend gear life by protecting critical parts from deposits and surface distress even in sustained high-temperature service. AMSOIL synthetic gear lubes help increase fuel economy in motor homes by reducing friction far better than petroleum gear lubes and offer outstanding rust and corrosion protection for motor homes stored for long periods. Severe Gear Synthetic EP Gear Lubes (SVG, SVO, SVT) are specifically engineered for high-demand applications, including trailer towing and heavy hauling. Superior lube film strength combined with extra additives protect gears and bearings from scoring and wear. Severe Gear Gear Lubes resist heat and possess excellent cold-flow properties.

FGR

AGL

## AMSOIL Synthetic Automatic Transmission Fluid

AMSOIL Synthetic Automatic Transmission Fluid (ATF) is chemically engineered to provide exceptional lubricating protection and substantially longer service life than conventional petroleum fluids. AMSOIL ATF protects transmissions from the tremendous internal heat they generate, even in the demanding severe operating conditions of motor homes. AMSOIL ATF resists oxidizing in temperatures which oxidize conventional automatic transmission fluids and damage clutches, planetary gears, valves, pumps and seals. And with a -63°F pour point, the low-temperature fluidity of AMSOIL ATF provides dependable starting, smooth shifting and excellent fuel economy in cold temperatures.

ATF

AMSOIL Synthetic Automatic Transmission Fluid is a universal, multifunctional fluid and is also recommended for power steering applications. With AMSOIL ATF, the need for specialized fluid inventories and the possibilities of misapplication are greatly reduced.

## AMSOIL Filtration Products

### AMSOIL Ea Air Filters

Motor homes are exposed to a lot of dust and dirt. Good air filtration is vital to keep abrasive particles from entering the engine and destroying precision components. AMSOIL Ea Air Filters (EaA) are the most efficient filters available to the auto/light truck market. Ea Air Filters' synthetic nanofiber media removes 2.5 times more dust than traditional cellulose filter media alone and 50 times more dust than wet gauze filter media. AMSOIL Ea Air Filters have a service life of 100,000 miles or four years, whichever comes first.

### AMSOIL Ea Oil Filters

AMSOIL Ea Oil Filters (EaO) feature advanced full-synthetic nanofiber technology, making them the highest-efficiency filters that are available for the auto/light truck market. AMSOIL EaO Filters have a far greater capacity than competing filter lines. When used in conjunction with AMSOIL synthetic motor oils in normal service, EaO Filters are guaranteed to remain effective for 25,000 miles or one year, whichever comes first.

### Donaldson Heavy-Duty Filters

AMSOIL offers premium Donaldson oil, air, fuel, coolant and hydraulic filters for diesel and heavy-duty applications. Donaldson Endurance™ Air Filters with exclusive nanofiber technology and Donaldson Endurance Oil Filters with premium advanced synthetic media technology deliver significantly higher efficiency and capacity than conventional filters, extending engine and filter life. P-Series oil and air filters offer premium filtration at a competitive price, featuring advanced media designed to trap wear-causing contaminants and extend equipment life.

## AMSOIL Synthetic Grease

Greased bearings and linkages endure heavy loads on RVs. In addition, wheel bearings, U-joints and suspension points are extremely susceptible to the harmful effects of dirt, water and mud.

AMSOIL Greases are especially suited for all types of motor home applications. The tough synthetic formulations provide outstanding protection against friction, heat and wear, even in high-stress applications. AMSOIL synthetic greases offer superior low-temperature pumpability, resistance to water washout and thermal and oxidative stability.

## AMSOIL Fuel Additives

Whether you're crawling up a steep mountain pass or merging into traffic on an interstate, you need all the power you can get. AMSOIL fuel additives can give your RV that added zip needed for critical moments. Use P.i. Performance Improver (API), Series 2000 Octane Boost (AOB) and Gasoline Stabilizer (AST) for gasoline engines, Diesel Concentrate (ADF), Diesel Cold Flow Improver (ACF) and Cetane Boost (ACB) for all diesel applications.

All AMSOIL fuel additives improve combustion efficiency for easier starting, smoother idling and fewer exhaust emissions.

For a trouble-free fuel system, improved fuel economy and more power, you can depend on high-quality AMSOIL fuel additives.

## **BriteSide Miracle Wash**

A unique dry car wash that delivers outstanding performance and quick, easy, economical application. Its special formulation lifts dirt, holds it in suspension and shields surfaces from abrasion.

Miracle Wash repels dust and light dirt and protects automotive finishes from the sun's ultraviolet rays.

## **Mothers® Automotive Appearance Products**

AMSOIL offers premium Mothers® automotive appearance products that include everything needed to clean, polish and care for RVs. The Mothers® product line is divided into four distinct categories: Reflections®, FX™, Power Products and California Gold/Mothers® Original.

AMSOIL products and Dealership information are available from your local AMSOIL Dealer.
